## Like fine wine, our pizza takes time.

If your pizza takes a bit longer it's because we make our own dough, use only the freshest vegetables, use only the choicest meats, use real 100% low-fat mozzarella cheese, blend our own sauce to perfection and prepare every pizza to order. Awesome!

Back in 1978, the doors opened in Oakhurst, California to start the first Pizza Factory® restaurant. This single restaurant has evolved into an international franchise with over 100 locations.

To ensure quality and freshness, the Rio Vista Pizza Factory® has carried on the tradition of making our own pizza dough and sauces right here on the premises since 1988. We continue our longstanding commitment to consistently provide you with the highest quality meals with outstanding customer service.

We welcome you to the Rio Vista Pizza Factory® and hope you enjoy your time with us as much as we enjoy having you here. Enjoy your meal and God Bless.
